

ATTENTION !! ASSISTANT EXECUTIVE ENGINEERS

OF

WATER RESOURCES DEPARTMENT

OF GOVERNMENT OF ANDHRA PRADESH

"A NEVER BEFORE" OPPORTUNITY

The Water Resources Department, Government of Andhra Pradesh has taken up the construction of the prestigious and gigantic "**P.I.P.(Polavaram Irrigation Project)**" which is going to be a jewel among the irrigation projects of State of Andhra Pradesh. It is also bestowed with "National Project" Status.

It would be a "once in a life time" opportunity for the Engineers of Water Resources Department to work in P.I.P which requires a complete dedication and eagerness to handle Engineering challenges.

The in-service Assistant Executive Engineers who are willing to work with dedication and sincerity in the "P.I.P" may send their willingness and biodata to the Office of the Engineer-In-Chief(AW) through email to encawap@gmail.com.

The applications shall reach on or before 18.12.2016 positively.
